City Bank Attacks

Labor Leader's View Of Production Need

Calls James H. Maurer's Doctrine Typical of Bars That Obstruct World's Recovery From War Conditions

Several of the smaller banking institutions and perhaps two or three of the larger ones that have catered to the fur and silk trade are understood to be "hooked" in loans advanced to small jobbers on inferior merchandise.

The National City Bank, in its May H. Maurer, president of the Pennsylvania State Federation of Labor, in which the leader decries the need of greater production and asserts that it is greater consumption.
